Ingham County Justice Millage Question

For the purpose of constructing, equipping, and financing a new combined justice complex facility and expanding correctional programming, to include a new county jail, Sheriff's department offices, and court facilities, which would replace the existing facilities and will be safer for the public, staff and inmates and allow for more efficient operations; and including programming for the treatment of substance addictions, treatment of mental illness, and reduction of re-incarceration among arrested persons, shall the Constitutional limitation upon the total amount of taxes which may be assessed in one (1) year upon all property within the County of Ingham, Michigan be increased by up to 85/100 (0.8500) of one (1) mill, \$0.85 per thousand dollars of state taxable valuation, for a period of twenty (20) years (2018-2037) inclusive? If approved and levied in full, this Millage will raise an estimated \$6,207,147 in the first calendar year of the levy, based on state taxable valuation.

Williamston Community Schools Building and Site Sinking Fund Millage Replacement Proposal

This proposal, if approved by the electors, will replace and extend the authority last approved by the electors in 2013 and which expires with the 2022 levy for the School District to levy a building and site sinking fund millage. This proposal allows the use of proceeds of the millage for all purposes previously permitted by law as well as newly authorized security improvements and the acquisition or upgrading of technology. Pursuant to State law, the expenditure of the building and site sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, maintenance or other operating expenses.

As a replacement of existing authority, shall the Williamston Community Schools, County of Ingham, State of Michigan, be authorized to levy 1.00 mill (\$1 on each \$1,000 of taxable valuation), for a period of ten (10) years, being the years 2019 to 2028, inclusive, to create a building and site

Capital Area District Library Ballot Proposal for a District Wide Tax

Shall the Capital Area District Library renew its annual tax levy upon the taxable value of all property, subject to ad valorem taxation, within the District of the Capital Area District Library in a renewal amount not to exceed 1.56 mills (\$1.56 per \$1000 of taxable value) for a period of 4 years 2018 through 2021 inclusive, to continue funding library operations?

The renewal amount of 1.56 mills is \$1.56 per thousand dollars of taxable value. If approved and levied in full, this millage request of 1.56 mills will generate an estimated \$10,308,630 for the Capital Area District Library during the first calendar year. If approved and levied in full, a small portion of the millage will, pursuant to statute, be disbursed to the Downtown Development Authorities of the Townships of Delhi and Lansing, as well as the Downtown Redevelopment Authorities of the County of Ingham, the City of Lansing, and the Township of Delhi; and the Ingham County Land Bank.
