FAX (517) 699-3879

February 1, 2014

To: Alaiedon Twp Property Owners

As you may be aware, Delhi Township has had a formal agreement with Alaiedon Township since 1997 to provide fire protection services. Due to the lack of effective response times and location in the Alaiedon Township, Delhi Township and the City of Mason have negotiated a contract to allow the City of Mason to respond to certain areas in Alaiedon. As a result, since January 2, 2014 an agreement has been approved and signed to allow fire protection services by the City of Mason to areas located south of Harper from Cedar to Okemos and then South and East of Holt Rd. to Meridian Rd. in Alaiedon Twp. If a detailed map is required a request can be made to Delhi Township Fire.

This agreement provides the City of Mason to be dispatched automatically on all fire calls in that area, with Delhi supporting the call if requested.

At the present time a request has been submitted to the Insurance Services Office and a new rating may be placed on the properties in the affected areas as a result of the location and shortened response time.

A handwritten signature in black ink, appearing to read "Brian J. Ball".

Brian J. Ball

Interim Fire Chief

*The mission of the Delhi Township Fire Department
is to minimize the impact of community emergencies through education, prevention and service.*
