Ingham County Sheriff Scott Wriggelsworth attended the meeting to update the Board on Sheriff Department accomplishments in 2019.

Carla Carlton of Hulett Road attended the meeting with Christian Muntz of Harvest Energy Solutions about a solar array she would like to construct on her property. The proposal is in the front yard and this is considered an accessory use and is not allowed in the front yard.

Planning Commission liaison Trustee Smith reported that this would not be allowed in what is being proposed by the Planning Commission for Solar Energy. The Planning Commission has done a lot a research of existing ordinances and this is common to not have arrays in front yards.

Kim Hafley Planning Commission Secretary attended the meeting to let the Board know that she is not in favor of front yard solar installations.
