1. Consider and receive public comment on the Special Land Use Permit request by property owners LaFontaine Automotive Group.
If granted the Special Land Use Permit would allow the property owners to construct and operate automotive sales temporarily with a mobile office. All infrastructure will be brought to the site consisting of water, sanitary sewer and electricity. Plans for a permanent facility to come after temporary use ends. This property involves parcel #33-06-06-05-200-039 located on the west side of James Phillips Drive north of I-96 consisting of 2.696 acres in a B-1 Business Zoning.
